Returning a Book

All items for return must be handed in at the Library Desk or placed in the Returns Bin (located outside the Library door). Please do not leave books unattended at the Desk. You are responsible for borrowed items until cleared on the system.

Fines

Fines are charged on overdue items at the following rates:
Main Lending Collection: 10c per day
Short Loan Collection: €1 per day

It is not possible to borrow from the Library if fines on a patron’s account exceed €5.00

Finding a Book

The Library Catalogue is the starting point for locating information on a particular subject. It is a searchable listing of all materials held in I.T Carlow libraries. Users can search this listing under a variety of search options such as Author, Title, Subject etc.

The library catalogue can be accessed at: https://libsearch.itcarlow.ie

E-Books

IT Carlow now subscribes to over 100,000 electronic books which are searchable from the Library website. These can be accessed both on-campus and off-campus. Off-campus access requires login using your I.T Carlow network log-in and password.

Subject Databases

The Library subscribes to a wide range of databases covering the subjects taught at I.T. Carlow. Most of these databases are searchable through our EDS Web Discovery service or alternatively can be searched individually (via the Library website).

The majority of the listed databases can be accessed from outside I.T. Carlow. For Off-Campus log-in, users will be asked to enter their I.T Carlow network log-in and password. Please contact Library staff for more information.
